

OUR SPACES

Situated on the picturesque shore of Leith, The Granary prides itself on its famous Scottish hospitality. The Jig room located upstairs has recently undergone an extensive refurbishment.

The stylish space now boasts a private bar, high tech AV equipment and lots of lovely natural daylight. Other facilities include dedicated events staff, high speed Wi-Fi access, private & semi-private spaces plus a selection of seasonal set menus.

The Granary benefits from excellent transport links including buses to and from Edinburgh City Centre. We invite you to step inside, and enjoy a whole new experience for your next event.
